

Product Description and User Manual

Of

TopTicketCenter

Prepared by

Mr Zaw Naing

(Chief Executive Officer)

Address – Kanaung Incubation Center, Building 14, MICT Park, Hlaing Township, Yangon, Myanmar

Phone - +95 9257706564

Email – zawnaing528and1500@gmail.com, zawnaing@mmeducenter.com

1. What is **TopTicketCenter** ?

TopTicketCenter is a website where event organizer can create seats, tickets. Organizers can share their created events together with seats to social platform (such as to facebook). Therefore, customer can buy ticket directly.

2. Difference of **TopTicketCenter** from Current Ticket Website

At present, event organizers have to create event seats and tickets manually. Ticketing websites buy tickets from organizers to sell them on their website. In **TopTicketCenter**, organizer can create tickets on the website and sell directly.

3. **TopTicketCenter** can be used to create seats and tickets for the following

Seminar/Conference, Recruitment/Career, Trade Show/Expo/Exhibition, One Man Show, Model Show, Award, Charity, Competition, EDM Entertainment, Networking, Miss/Mister, Bar, Sport, Debate, Workshop, Cinema, Theatres

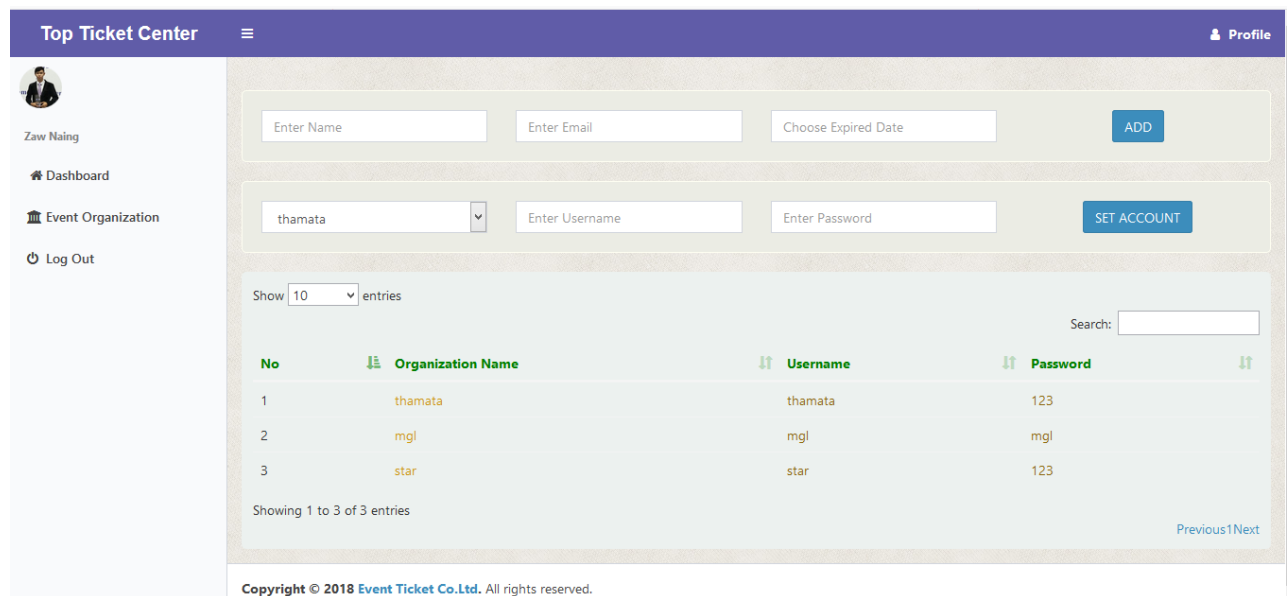

4. Type of Users

(i) Product Owner

Product owner is our team. When marketing department got event organizers who are going to use this website, an account with expired date is opened for them. Table 1 shows account cost. For non-profit organization, we offer free account.

Lifetime	Cost
1 year	\$3000
2 years	\$5000
3 years	\$7000

Table 1 Account Cost

The screenshot shows the 'Top Ticket Center' interface for a Product Owner. The header is purple with the site name and a profile icon. A sidebar on the left lists navigation options: Dashboard, Event Organization, and Log Out. The main content area has a light green background and contains several sections:

- Form Section 1:** Includes input fields for 'Enter Name', 'Enter Email', and 'Choose Expired Date', followed by an 'ADD' button.
- Form Section 2:** Includes a dropdown menu (currently showing 'thamata'), 'Enter Username', 'Enter Password', and a 'SET ACCOUNT' button.
- Table Section:** A table with columns 'No', 'Organization Name', 'Username', and 'Password'. It displays three entries:

No	Organization Name	Username	Password
1	thamata	thamata	123
2	mgl	mgl	mgl
3	star	star	123
- Footer:** Copyright © 2018 Event Ticket Co.Ltd. All rights reserved.

Figure 1 Product Owner Page

Figure 1 shows product owner page. Product owner can do the following functions.
